

Partner Program

You decide

We offer four versions of the partner program with different construction stages and remuneration arrangements.

-  **Tax Consultant**
-  **Affiliate-Partner**
-  **Branded Solution**
-  **API-Integration**

Tax Consultant

Use GetMyInvoices as Upstream solution to your accounting. Your customers can record all documents centrally and you don't waste time searching for missing documents.

As a tax consultant you get GetMyInvoices for free. Your customers receive a discount of **ten percent**. You decide whether you or your customer gets billed. For more details please mail us at: service@getmyinvoices.com

Affiliate Partner

You can send us qualified leads via affiliate link and receive **ten percent** of the net turnover achieved with the booked package.

If you are interested please visit <https://partners.getmyinvoices.com>, sign up and place our advertisements on your website. With each new customer sign up via your affiliate link you will be directly involved in our sales.

Branded Solution

The Branded Solution is suitable for other software vendors of accounting software or document management systems.

As a branded solution partner, you receive **individual package prices** and conditions to offer your customers an advantage. You bill the end customer and the GetMyInvoices billing is done via revenue share.

API-Integration

Use the GetMyInvoices technology and provide your customers more functionalities.

With the GetMyInvoices API you are able to use GetMyInvoices **Portal-Download-Functionalities** as a white-label solution in your own service.
